Dear Medical School Representative:

The University Of Florida Chapter Of Premed AMSA would like to invite you to attend our Eight Annual Minority Premedical Forum. The forum has been scheduled to take place on **Saturday October 4, 2008** from 8:00 AM-5:00 PM at the J. Wayne Reitz union in Gainesville, FL.

The aim of this program is to provide an informative series of workshops and speakers to help premedical students at the various schools in the state of Florida prepare to be successful applicants in the medical school admission process.

This year's event will feature a dynamic keynote speaker, along with local doctors, medical students, professors and medical school representatives. If you accept this invitation, we would ask that you speak about **your medical school** and its existing programs for talented underrepresented minority students. We also ask that you participate in one or more of the workshop topics during the day, as well as in the mini-medical school fair at the end of the day.

Enclosed in this packet, you will find the registration form, information on how to advertise in our MPF program and information on what MPF is. If you agree to participate we will be contacting you upon receipt of your registration form with information on things such as workshop assignments, the final program itinerary, and directions to Gainesville and the Reitz Union. **Please acknowledge that you are responsible for making your hotel arrangements.**

Please inform us by **September 12<sup>th</sup>** if you or another representative from your school will be able to attend. If you would like to contact a MPF director, you can reach Rachele Degraff at **(239) 738-2811** or Alexandra Mayard at **(786) 210-7853** or you can send an e-mail to [UF2008MPF@gmail.com](mailto:UF2008MPF@gmail.com). **You may submit your completed registration packet by mail or to the above email address.
